

Alejandro Gómez Yepes

Categoría: Contratado FPI

Departamento: Tecnoloxía Electrónica (t11)

Materias:

- [Electrónica digital \(GETT\)](#)
- [Laboratorio de proyectos \(GETT\)](#)

Titorías:

1C: Viernes 10:00h – 13:00h

2C: Viernes 10:00h – 13:00h

Xuño-xullo 2019: Viernes 10:00h – 13:00h

Despacho: Lab. Electrónica de potencia

Centro: Escola de Enxeñaría Industrial

Dirección: Campus Universitario Lagoas-Marcosende, 36310 VIGO (Pontevedra)

Email: agyepes@uvigo.es

Tif: 986818770

Web Persoal: <http://www.webs.uvigo.es/agyepes>

CV breve: Alejandro Gómez Yepes received the M.Sc. and Ph.D. degrees in electrical engineering from the University of Vigo, Vigo, Spain in 2009 and 2011, respectively. Since 2008, he has been with the Applied Power Electronics Technology Research Group, University of Vigo. His research interests are in the areas of ac power conversion, with special focus, currently, on multiphase drives and digital control of power electronics converters.
